*NOTES: Schedule is subject to change based on enrollment; also, registrations for classes are based on ages as the fall approaches - if you choose a class and the average age of the interest in that class turns out to be skewed from what is shown here - we'll contact you to let you know the best fit for your child's interest and age. Ages can vary from what as shown here as registrations roll in and interest in certain days/times is determined. ALSO NOTE THAT WE WILL BE FOLLOWING STATE GUIDELINES FOR FALL RE-OPENING again - STAY TUNED - but we will be following all recommendations to the tiniest of details; continuing spray cleaning equipment for between classes; following capacity limits if needed, etc - any changes that then need to occur due to these guidelines will be made clear to all parents prior to classes! Thank you!*
